IS THIS A LUCKY
PROGRAMME ?

FIND OUT AT 3pm TODAY

MONEY RAISED BY THIS EVENT GOES TO HELP
VARIOUS CHARITIES IN NORTH-EAST SCOTLAND

B.A. VINTAGE WORKING WEEKEND 2007

LAST YEAR WE RAISED OVER £5,000 FOR NORTH EAST CHARITIES

Dr. A. W. Hutchinson (ANCHOR Unit), Allen Anderson, Allan Brownie, Graham Black and Brendan Daily are present for the £2,000 donation

DONATIONS

With over 300 exhibits and thousands of visitors, last year's event saw over £5,000 raised for local North East charities.

A donation of £2,000 was given to the ANCHOR unit at Aberdeen Royal Infirmary, to help with their research into the causes of cancer and patient care.

60
years of care
2008

Marie Curie
Cancer Care

B.A. VINTAGE WORKING WEEKEND 2008
60 YEARS OF CARE

Marie Curie Cancer celebrates its Diamond Jubilee in 2008. For 60 Years, in the North East of Scotland, and across the UK, Marie Curie has been caring for people affected by cancer and their families.

One in four of us will die of Cancer. It's the UK's biggest killer claiming more than 150,000 lives a year. Research has shown that most people dying of cancer would like to be cared for in the comfortable and familiar surroundings of their own home. However, the majority of cancer deaths still occur in NHS Hospitals.

At Marie Curie Cancer Care, we think people with cancer should be able to decide where they spend their last few weeks of their life. We think where you die should be your choice. So for those patients who would like to be cared for at home, the Marie Curie Nursing Service in North East Scotland plays a vital role. Our nurses work through the day or night to care for the patient and to allow the family to get some well-earned rest. In addition to providing highly-valued nursing care for the patient, free of charge, Marie Curie Nurses are also there to give emotional support and advice to the family.

Marie Curie Cancer Care survives thanks to the generosity of the public and much needed grants from the NHS. We provide the very best nursing care and we aggressively research the disease that kills more people across the UK than any other. Thousands count on us. But our priceless help costs millions. That's why we are so grateful to the Committee of the B.A. Vintage Working Weekend for nominating our charity as one of the main beneficiaries, and to help Marie Curie celebrate its 60th anniversary.

THIS PROGRAMME COULD WIN YOU A PRIZE

AT

3 PM
TODAY

Vintage Working Weekend Saturday 17th & Sunday 18th 2008

Welcome to the 2008

B.A. Vintage Working Weekend, bringing you an insight into agricultural activities from the early days of the horse to modern times.

As always, we aim to make this a family event, with a Children's Fun Area, Live Music, Craft Tent, Car Boot and various stalls.

Today, the Kintore Rotary Club are lending a hand on the Mobile Trailer and down at the 'Gold Panning' area - new for this year.

Our main charity for 2008 is Marie Curie and we are hoping to raise lots of funds for this worthy cause as well as for the other charities. I would like to thank all the exhibitors, Rotarians, Committee members and helpers, who, by their hard work, and enthusiasm, make this event possible.

I hope you will all have a good time and remember to keep your children and pets safe, **Be responsible and think - "Safety First."**

All the Best.

Allan Brownie
(secretary)
